

ILLUMINATING HUB with CARD READER IHC

STANDARD PACKAGING

STANDARD COLOR OPTIONS

When you see the "Rainbow Palette" icon next to a product, call us to check on the specific custom color elements available.

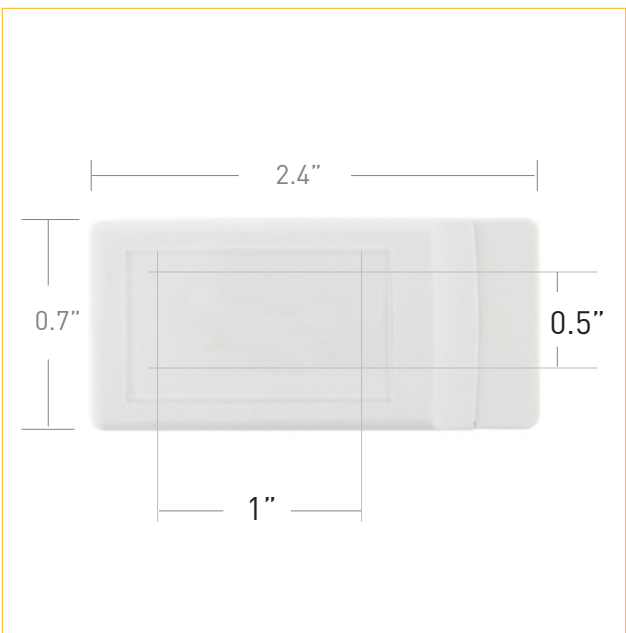

OVERVIEW

Transfer your data from memory card to computer with the Illuminating Hub with Card Reader (IHC). When plugged in, this 4-port hub illuminates, making any logo shine bright. Perfect for travel and small enough to fit in your pocket, so much more than your standard hub!
